

**OUR STORY:  
COFFEY SPORT AND LEISURE**

We believe sport and leisure is an integral element in the lives of the community and strive to make the sport and leisure industry more professional by delivering enhanced outcomes

## SPORT, LEISURE, TOURISM AND COMMUNITY SPECIALISTS

At Coffey Sport and Leisure, we believe in the benefits of participation in sport and leisure. We are passionate about the growth and development of the industry for the benefit of all. Our business is about supporting our clients and the industry in achieving their objectives.

Delivering extraordinary outcomes requires specialist knowledge to understand your needs, share your challenges and see beyond the life of your project. At Coffey Sport and Leisure we provide practical, strategic and commercially sound advice at every stage of your project, from front-end feasibility and business case development, through to funding procurement and project delivery.

We work with you and your respective communities to remove impediments, resolve conflicts, solve complex problems, reduce risks and build your capacity to better manage outcomes at every opportunity.

We believe in solutions that provide ongoing benefits to the sport and leisure sector and use best practice techniques to achieve this
